THE COMPANY: **Doggie Mansions** is a unique luxury real estate firm catering to the needs of the pampered pooch. Each **Doggie Mansion** is custom built from the ground up using the highest-quality materials and top notch craftsmanship found in many luxury homes today. Doggie Mansions' sister company, **Kiddie Mansions**, creates custom luxury playhouses for kids.

THE MANSIONS: Each **Doggie Mansion** and **Kiddie Mansion** features options you would expect in your own custom-built home. These options include architectural shingles or barrel-tiled roofs, stone, tile or marble floors hand-painted faux-finished walls, an outdoor deck or porch, operable doggie-sized windows and doors, sky lights, and pint-sized decorator furnishings. In addition, all mansions include interior and exterior lighting fixtures, a/c or heat, and are wired for electricity. The abodes can also be outfitted with a flat-screen TV/DVD player, Bose SoundDock and plenty of toys and games.

PRICING: Custom-built **Mansions** are priced from \$10,500, depending on the size of the home, options and furnishings chosen. Smaller **Mini Mansions** are priced from \$2,495. Delivery is available for an additional fee. Our unique resale program allows owners to upgrade their doggie homes at any time, and to resell their existing Doggie Mansions through our Doggie Mansion Real Estate Company.
